

Vortex Series
PELICAN INT'L
 TOILETS

PL-12044 MB

The unique design of our Vortex toilets adds minimalist and modern styling to your bathroom. Contemporary looks adorn this one-piece perfect height toilet, which delivers bold design with high efficiency water conservation. Our dual Vortex flush toilets activate with the push of a button, offering a choice of 1.6 or 0.8 gallons per flush. At the high-efficiency .08 gpf flush setting, you can save thousands of gallons of water annually over a traditional 1.6-gallon toilet.

All Vortex toilets feature a R & T cUPC certified flush valve and are 100 % flush and leak tested.
